JSI HD Heavy Duty Milling Jig & Drill Press

Attention Pro Shop Owners: This new jig and drill press should curve the market for drilling ease! As shown in the photo, the black knob unscrews and the top jig plate slides out toward the black knob for easy access to the ball. It has a quick release knob for easy access to the ball. The top slides in with two adjustable posts for easy and fast drilling.

Package includes JSI HD Heavy Duty Milling Jig & Drill press, 24 carbide tip drills with wood rack, & router with shield and one carbide bit.

Available separately:
JSI HD Heavy Duty Milling Jig Only

JSI Drill Press Only

Set of 24 Carbide Tip Drills With Wood Rack

Quantity prices available for jigs & drill presses & pro shop equipment for a substantial savings!

Step Drill

Two step drill set for preparing balls for plugging. 11 drill sizes, 1/4" to 1 3/8". 12 drill sizes from 3/16" to 7/8" with interchangeable shaft and Allen wrench.

Cleanlane Lane Cleaner

Cleanlane lane cleaner by Master™ is super concentrated — one pint makes 5 gallons of working solution. It safely and effectively removes dirt, dust, grime and conditioner from all types of lane finishes. Non-flammable and non-toxic, it contains no ingredients that might harm lane beds. It is non-polluting and bio-degradable and will not plug drains. Ideal for miscellaneous cleaning.

1/3 HP Router with Shield

1/3 horsepower with one carbide bit and vacuum shield.

2 HP Router with Shield

2 horsepower, heavy duty, with light and vacuum shield.

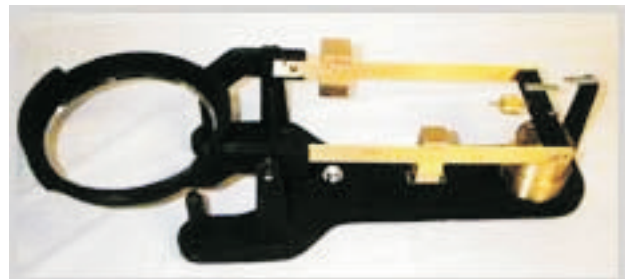

Donkee Ball Spinner

3/4 horsepower, 2-speed, with removable splash guard (inset).

1/3 horsepower, 1-speed, with removable splash guard (inset).

Kaufman Dodo Scale

Weighs side weight, finger/thumb weight, top/bottom weight. All metal construction.
